

GSO Liaison Meeting Minutes
May 12, 2010

Attending: Lisa Walker, Robyn Smidley, Louise Shearer, Rachel Pulver

Continuing Business

Budget Report

Current Balance as of April 30, 2010 is \$1783.80.

Spring Retreat

The Spring Retreat held in April was a lot of fun and we had a good turnout. It was suggested that for the next retreat we have a sandwich bar; the salads were good but a little on the heavy side. Bastyr University caters and they have very good food.

Spring Plant Sale

Thank you to Robyn Smidley for her coordinating efforts. Thank you to Lorrie Cain for getting the plants ordered. Plants will be delivered tomorrow at the Truly House and people can pick them up on Friday.

Fleece Jackets

Melissa Arias might be interested in chairing this project with possible help from Michelle O'Connor. Lisa will talk with them. We'd like to have samples at the August BBQ to show people. Some suggested checking with Ginny Grosbeck for ordering information.

New Business

Parking Issues

With the new parking rates and some of the changes in Auxiliary Services, we are going to have John Shaheen come to the next general meeting to talk about the changes and a general overview with a Q&A regarding Auxiliary Services.

August BBQ

We would like to have a bar-b-que in August. At the next liaison meeting we will look for someone to chair this. The plan is to have Cascade Mountain Grilling come back again.

Poinsettia Sales

This is back on the table for winter. The last time Poinsettias were sold, the GSO made money so we'll bring this up again in the fall. Suggested vendors included Flower World, and Skagit Valley.
