Continuing Business

*Pancake Breakfast*

Lisa has arranged for George Theo to be our guest speaker and he has confirmed. She also asked Rich Lewis, our new Safety/Security Director but has not received a reply.

Robyn has checked with Georgia about juice, fruit, and muffins donations but Georgia has not received any replies from her vendors.

*Donation Program*

Melissa talked about the donation program. We would like to have a kick-off at the pancake breakfast. She will get donations of gift cards, and door prizes for giveaways. If anyone has ideas, please let Melissa know. Suggestions included ice skating tickets, lift tickets, purple gloves, hand warmers.

New Business

*Overview of Liaison commitment*

Lisa talked about the commitment of being a liaison. If you commit to staying on, please be aware that while this is volunteering it is also an agreement to attend meetings and participate in the events. The leadership cannot run all the projects and fundraisers themselves.

*Holiday Party*

The tentative date for this year's holiday party is December 7<sup>th</sup>. We are waiting on confirmation from the Chancellor if this date will work for him. A theme of Winter Wonderland was suggested. We can decorate with white lights and snowflakes.

Robyn is going to check with local high schools to find out if they can come and preform a few songs.

*Speaker idea*

Janice has suggested we bring a speaker in to talk about the crows. She knows of a professor at UW Seattle who studies them and might be willing to come to Bothell for a talk. She will check into this and have more information at the next meeting.

Announcements

Melissa Sinclair is taking the lead as the Combined Fund Drive chair but needs to have a co-chair. If you are interested, please contact her.

Since there was no further business, the meeting was adjourned.
