UNIVERSITY OF WASHINGTON SCHOOL OF NURSING   TYPE OR PRINT IN BLACK INK

BACKGROUND CHECK, AUTHORIZATION FOR REPEAT CHECKS,
AND DISSEMINATION OF RESULTS FORM

This form must be completed to be considered for School of Nursing admission and continuation.

The School of Nursing reviews background check records when considering individuals for admission and continuation. These reviews are carried out because they relate to the essential qualifications of potential and continuing students under the School's curriculum standards, as well as to the safety and security of patients and the public. The Washington State Child and Adult Abuse Information Law, RCW 43.43.830-842, requires that anyone with unsupervised access to certain vulnerable populations be screened for specific information about any convictions for crimes against persons and crimes relating to financial exploitation, and for findings in related actions and proceedings.

School of Nursing degree programs involve unsupervised access to populations defined by this law. Clinical training sites are precluded by law from allowing persons with certain conviction histories to have unsupervised access to these vulnerable populations. In addition, certain criminal convictions and certain court administrative determinations may preclude completion of the clinical portion of the curriculum. Affiliation agreements with clinical sites require the School to assure that its students have been screened.

Conviction information, including information regarding certain court and administrative determinations, must be disclosed and verified before an applicant or student can be considered for enrollment or continuation in any School program. Students must self-disclose any crimes committed during their enrollment. **A conviction/criminal history record does not necessarily disqualify an individual from admission or continuation.** Conviction/criminal history records must be verified through a private national background check agency specified by the School. Admission and continued enrollment are subject to a satisfactory background check review. Background checks routinely uncover convictions that individuals believe were "expunged," "vacated," or otherwise set aside. Consequently, it is in the applicant/student's best interest to disclose such convictions on this form. Individuals who do not sign this Background Check, Authorization for Repeat Checks, and Dissemination of Results Form will not be considered for admission. Questions about the use of background check information may be referred to Academic Services (206.543.8736).
