Pam Lundquist, Registrar

Amy Stutesman, Senior Director, UW Bothell IT

Dear Colleagues,

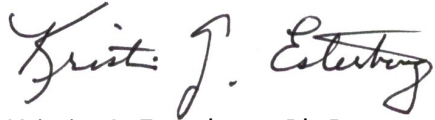

Thank you for your willingness to serve on the UW Bothell Space Utilization and Provision Resource Group (SUPER-G) for the 2024-25 academic year. SUPER-G will be chaired by David Moehring, Senior Capital Planner, Physical Planning & Space Management.

SUPER-G is an advisory group that is charged with strategically evaluating space requests and proposals to align institutional expectations about space utilization, space optimization, space related projects, and funding. In this capacity you will advise the campus, the vice chancellors, and the chancellor on space requests that meet established [criteria](#), with final decisions regarding space use remaining with the chancellor.

Your participation on SUPER-G is important as we look to critically examine space requests in the coming year while continuing to align space decisions with the Campus Master Plan and strategic priorities and helping build the campus into the future.

Thank you for contributing your time and expertise to this important work.

Sincerely,

A handwritten signature in black ink, reading "Kristin G. Esterberg". The signature is written in a cursive style with a large, stylized "K" and "E".

Kristin G. Esterberg, Ph.D.
Chancellor and Professor
