Applying to MTV

(Subject to change. Please check with your advisor)

How to Declare/Apply:

- The internal application for Pre-major students is available on the [School of IAS Admissions page](#).

Tips for Completing your Application:

- Only use your UW email to sign into the application.
- Run your degree audit before starting your application so you can reference your audit when completing the application.
- Have a copy of your unofficial UW transcript ready and a personal statement ready (if you don't meet the minimum declaration requirements) to attach to your application.

Application Deadlines: See [website](#) for deadlines.

After the priority deadlines, applications will be accepted on a space available basis.

Minimum declaration requirements:

- At least 45 credits completed
- UW Cumulative GPA: 2.5 minimum UW GPA with at least 2 quarters completed at UW Bothell
- World Language: 2 years (or more) in high school or 10 college credits of a single language
- Intermediate Algebra (min. grade 2.0 if completed through college coursework)
- 10 credits of English Composition (min. grade 2.5 in each course), Research Writing recommended
- Prerequisite coursework as listed on page 1

Personal Statement:

Students who do not meet the minimum declaration requirements may apply to IAS majors by submitting a Personal Statement (1-2 pages) with their application. Ideally, a personal statement should address:

- The reason(s) why you wish to pursue the major to which you are applying
- Your long term goals and aspirations
- Any special circumstances you would like the Committee to consider

Number of prerequisites that can be in progress at the time of application:

- Classes can be in progress, but application must include a personal statement
- If the following classes are in progress when you apply, then you will not receive a decision until grades post: BWRIT 134, BWRIT 135, STMATH 124, BIS 215 RSN, World Language

Other Important Information for Applicants:

- **S/NS Grades during COVID-19**- For any quarter designated as having extenuating circumstances, IAS will consider a S (satisfactory) grade as fulfilling admission requirements, meaning a S grade will not negatively impact your application to the School of IAS.
- Personal statements do matter. Students should address poor grades and major choice
- Do well in coursework related to major and relevant work
- Students must take BIS 300 in their first quarter in IAS and also must complete a major orientation
