THE BOTHELL BUSINESS EDGE

AACSB ACCREDITED SINCE 2015

Fewer than 5% of business schools worldwide have earned this seal of high quality that signifies an ongoing commitment to excellence in teaching, research, curriculum development and learner success.

INDUSTRY PARTNERS

Students benefit from close connections with leading businesses such as Boeing, Microsoft and Avanade through networking, internships and site visits. Alumni also work in leading organizations throughout the region and beyond.

THRIVING DIVERSITY

The School of Business prides itself on the cultural and demographic diversity of its students and faculty with a campus that celebrates inclusivity.

CONVENIENCE

Classes are offered in the evening and on weekends to fit within the schedules of working professionals.

HIGH-IMPACT LEARNING

Students benefit from unmatched networking opportunities and high-impact learning opportunities, through events, global study tours, student organizations, small class sizes, professional advisers, participation in field trips and the much-lauded Mentorship EDGE program.

SCHOOL STATS

- Average student-to-faculty ratio: 33 to 1
- Current students: 1,094 undergraduate students, 103 graduate students
- Alumni: 7,945 undergraduate degrees, 1,359 graduate degrees

“The UW Bothell School of Business played a pivotal role in broadening my perspective and shaping my career path. Under the guidance of experienced professors and through hands-on projects using real-world tools, my curiosity was ignited.”

— Josh J. (Business Administration '17), Senior Client Solutions Manager, LinkedIn

THE UW BOTHELL DIFFERENCE

A vibrant campus

In 2024–25, students participated in more than 1,400 events, including 794 club events and 44 student organization events.

More than **85 student clubs and organizations** create opportunities for leadership, identity exploration and connection.

Access and opportunity

UW Bothell is designated as a Minority Serving and First-Gen Forward Institution, with almost two-thirds of students identifying as people of color.

More than one-third of incoming first-year and transfer students are the first in their immediate families to pursue a four-year degree.

In 2024-25, 73% of all undergraduate students and 69% of all graduate students graduated debt-free.

Smart investment

Ranked #1 regional university in Washington state by *U.S. News & World Report* (2026).

Ranked #2 in Washington state for value and return on investment by both Niche.com (2026) and SmartAsset (2025).

Driving regional impact

96% of first-year students are from Washington state.

9 out of 10 of UW Bothell's more than 34,000 alumni live and work in Washington state.
